

Dear Parents,

On February 27th and 28th 2010, we will be holding our Snow Queen photo shoot. Please see the attached schedule for your dancers dates and times. **Please note the arrival time which is ½ hour prior to their picture time.** This will enable time for your dancer to change into their costume and have their makeup applied.

Please fill in the attached order form along with payment, and return it to the studio by February 6, 2010.

Also, please read the checklist below to properly prepare your child for their pictures.

1. **Hair** - Dancer's hair must be neat. Girls to have their hair done up neatly in a classic hair bun, unless otherwise stated by Sophia. Hair net and hair pins to match your child's hair color. Use enough hairspray or gel to ensure there are no stray hairs on your child's forehead or neckline. Boys to have their hair cut neatly.
2. **Restrictions:** No nail polish, no makeup, no jewelry, and no tattoos.
3. **Makeup:** Pre-school, pre-primary, Primary and grade 2 dancers should arrive at the studio with foundation, red lipstick and mascara already applied, the rest of the make-up will be applied at the studio. Grade 1, grade 3 and up, should arrive at the studio with a clean moisturized face. Please remember to bring cold cream and a wash cloth to remove make up if your dancer will need a makeup change for a new character.

Thank you!
